THANKS EVERYONE!

A very special thanks to the Volunteer Students of the University of Manchester and to Paul Shone of the Widening Participation Team for making sure that everything ran smoothly

The event was hosted by the University of Manchester Widening Participation Team. It was held in the Great Hall of the Old UMIST building which was filled to capacity with over 250 attendees. All our partners contributed towards making the day a resounding success. Colleagues from the Diversity and Inclusion Team were there in force as a show of solidarity. 20 Supplementary Schools participated and received individual awards for Best Pupil of the Year and for the Best Volunteer Teacher. Two of Manchester's past Mayors and the Assistant CEO presented the coveted Certificates of Achievement. Collectively the group represents a large number of different Black and Ethnic Minority communities as well as several major faith groups. Collectively this demonstrated the high degree of cohesiveness, commitment and dedication that we enjoy in the City when delivering the right kind of education for all our children.
